

MICROTELECOM SDN. BHD.
REFERENCE OFFER FOR ACCESS (ROA)
PRICING SCHEDULE – MANHOLE & DUCT LEASING

Version: 1.0

Item	Service	Description	Monthly Recurring Charge
1	Manhole Duct & Leasing	Manhole and duct leasing from the Point of Entry (POE) to the last manhole outside the DC boundary	RM2,000/duct
2	O&M Contribution	Operation and maintenance contribution for the shared manhole and duct infrastructure serving the respective DC plot	RM3,000/duct

Commercial Terms

Security Deposit

The Access Seeker/Customer shall pay a security deposit equivalent to six (6) months of the applicable recurring charges per access path prior to the commencement of fibre pulling works.

Contract Term

The term for Manhole & Duct Leasing shall be for a minimum period of twelve (12) months, renewable upon expiry subject to mutual agreement between Microtelecom and the Access Seeker/Customer.

Additional Duct Access

Additional ducts leased within the same DC plot shall be charged at RM2,000.00 per duct per month. The O&M Contribution of RM3,000.00 per DC plot per month shall apply once per DC plot and shall not be duplicated for additional ducts within the same DC plot.

Taxes

All charges stated above are exclusive of applicable taxes, including SST, where applicable.

Rate Review

The above rates are the published rates applicable to the current project. Microtelecom may review and revise the rates from time to time in accordance with the applicable ROA, regulatory requirements and relevant contractual provisions.

Availability

All access is subject to available duct capacity, technical feasibility and the applicable terms and conditions of Microtelecom's ROA and Access Agreement.
